

# Welcome to Node42!

These **Terms of Service** outline the rules for using our website and applications. If you have any questions, feel free to contact us at [privacy@node42.dev](mailto:privacy@node42.dev) – we're here to assist!

## Who We Are

Node42 is a professional tool mainly developed by **Alex Olsson**, a System Developer with years of experience in secure systems, lately focusing on **PEPPOL**. "Node42" is a brand name, but the platform is operated under Aleon, and I'm directly responsible for its development and ongoing improvements.

## How You Can Use Our Website

By using our public website and applications, you agree to the following terms:

### Availability

We provide the website and applications "as is," without any guarantees. We do not promise that they will always be available, uninterrupted, or error-free. We are not liable for any issues caused by the use of, or inability to use, the website or applications.

### Our Content

The design, layout, and content of our website and applications, including copyrights, trademarks, and other intellectual property, are owned by us, unless otherwise specified. You may not copy, distribute, modify, or use our content in any way without our explicit permission.

### Your Privacy

We take your privacy seriously. Our **Privacy Policy** explains how we handle your personal data, such as your name and email.

### No Liability for Losses

We are not responsible for:

- Any loss or damage resulting from your use of, or inability to use, our website or applications.
- Your reliance on the content found on the website or applications.

## **Errors or Inaccuracies**

While we make efforts to ensure the website and applications are accurate, we do not guarantee that they are free from errors. We are not liable for any inaccuracies in the content.

## **Prohibited Conduct**

You may not use our applications in any manner that violates applicable law, overloads or disrupts our systems, reverse engineers or attempts to derive the source code, misuses diagnostic outputs for competitive purposes, or engages in any harmful or unauthorized activities.

*We reserve the right to suspend or terminate access immediately upon any violation.*

## **Changes to These Terms**

We may update these terms at any time. Any changes will be posted on this page with the updated date at the top. Changes will not apply retroactively.

## **Governing Law and Disputes**

These terms are governed by Swedish law. Any disputes arising under these terms will be resolved in a Swedish Public Court. Key points:

- Arbitration will take place in Stockholm, in English.
- Either party may seek urgent legal relief (e.g., injunctions) in an appropriate court.
- For unpaid claims, Aleon may take legal action through the Swedish Enforcement Authority or a Swedish district court.

If you have any questions, please reach out to us at [privacy@node42.dev](mailto:privacy@node42.dev)
